

# Team Rotary

Dear Rotarians-New Generations and Old,

One Rotary goal for Mission to Mission Charity Bike Tour (M2M) is to create a platform which can benefit The Rotary Foundation Polio Plus. In short, your Rotary Club or sponsored New Generations Club can ride free if you leverage your participation in M2M to create a donation of \$300 or more to support Polio Plus.

Use your clubs creativity to organize a monetary challenge that involves riding in the M2M tour. It could be something as simple as individual members requesting Polio Plus donations for a Rotary Club team in M2M; or, your challenge might be focused on a "bike-a-thon" where riders are paid a per mile donation; or, perhaps a contest pitting your Rotary Club and a sponsored New Generations Club in total miles ridden!

However you arrange it, here is an opportunity for club fellowship while supporting The Rotary Foundation.

- \*Don't have bikes? Consider renting "B" cycles from multiple nearby locations.
- \*No lunch? We can supply your crew members with a sandwich and chips and a drink- the registered rider's fare- al carte pricing.
- \*No team shirts? We will have hot-off-the-press 2018 M2M Tees available for sale!

I encourage you to participate in this Rotary fundraising opportunity. Details and team registration forms follow.

Celebrate Saturday, December 6th with us as we do the good work of Rotary together!

In Rotary,  
*Jose Martinez*  
President, Mission Trail Rotary

**“Always the first Saturday in December”**

Mission to Mission is a non competitive bicycle tour that encourages individual and family participation. Participants are required to wear helmets and follow all traffic rules. Routes are planned to minimize traffic hazards, but safety often demands sharing the road with other vehicles. Please wear appropriate clothing and make sure your equipment is in good repair.

While children and families are invited to participate, the safety of all concerned requires:

- \* Children ride bicycles only- no tricycles.
- \* Bicycles must NOT be equipped with training wheels
- \*Children must have a registration and release signed by an adult family member
- \*Children must ride with a trusted adult

Thank you for supporting Mission to Mission Charity Bike Tour, the San Antonio bicycling community, and the Missions National Historic Park
