Dear Friend of Mission Trail Rotary Club,

On behalf of MTR Charities, I would like to thank you for your interest in sponsoring the Silver Anniversary of our Mission to Mission Charity Bike Ride. The Mission Trail Rotary Club is committed to "Service Above Self" and directly supporting the neighborhoods near downtown San Antonio and the San Antonio Missions, an UNESCO World Heritage Site. Last year, with the support of sponsors like you, we raised over \$29,000 which allowed us to provide grants to 15 local nonprofit organizations.

Please, join us at Mission Park Pavilions on Saturday, December 2, 2023 as we raise funds to power the wheels of change.

Thank you for your consideration,
